

biyokarin

Xaqiiqada: Seattle Public Utilities (SPU) ayaa soo saareysa talo ku saabsana biyo karinta qaybo ka mid ah Seattle. Dadka deegaanka ay dhibaatu u saamaysay waxa laga codsanayaa inay karkariyaan biyaha ka hor inta aan la isticmaalin si looga fogaado cudur iyo arrimaha kale ee caafimaad dare in ay timaado. La-talinta ayaa sii joogi doonta inta laga qaadayo muunad (sample) ee natiijada baaritaanka ka soo baxeyso meesha dhibaatu u saameysey, si loo xaqiijiyo in biyaha la cabi karoo.

Maxaa la sameeyaa:

Mudada lagu guda jiro la-talinta biyo karinta:

- Ha cabin biyaha tuubada oo aan la nadiifin, isticmaalka baraf ama cabitaanka tubada oo la nadiifiyey, ama cun cuntooyin ceeriin oo lagu dhaqay biyaha qasabadda oo la nadiifiyey.
- Si jeermisku u dhinto: biyaha kari muddo hal daqiiqo ah. Markey qabobaan, geli qaboojiyaha iyagoo nadiif ah, kuna dabool weelal.
- Biyaha dhalada ah ee xiran ayaa wanaagsan in la cabo. Waxad kaloo ku maydhan kartaa, dharkana ku dhaqan kartaa si jooqta ah biyaha tuubada. Ha u ogolaan ilmaha yaryar ama carruurta yaryar in ay cabaan biyaha lagu qubeysto ama dhuuqan dharka la meyray.
- La soco raadiyaha, TV iyo [website](#) SPU si aad ula socoto akhbaradka deg deg ah iyo si aad u ogaato marka la bixinayo amarada in ah biyaha la cabi karo.
- ***Haddii aad garaneyso qof aan awoodin in uu fahmo, arko, ama aan maqlin farriintan, fadlan u sheeg waxa ay ku saabsantahay.***

Ka dib markii la qaado la-talinta biyokarinta:

- Tuubooyinka iyo qasabadaha guriga fur, ha socdeen qasabadaha biyaha qabow muddo 3 daqiiqo ah mar kasta haddii aan la isticmaalin 24-kii saac ee la soo dhaafay.
- Si dhqso ah u banee baraf sameeyayaasha guriga yaala: ka daadi saddexda god ee caaga barafka oo iska tuur dhammaan waxa ku jira.
- Qub oo buuxi haanta biyaha kulul haddii heerkulkeedu lagu wado in uu ka hooseeyo 113 F.
- Si dabacsan u fur biyaha iyada wareegu cusbooneysiinayo.
- Ka qub ilaha biyaha laga cabo: oo ha socdeen muddo 3 daqiiqo ah.
- Ka qub biyo qaboojiyaashah direct water connections for 5 minutes.
- Ka qub biyo qaboojiyaasha: oo ha socdeen qaboojiyaashu iyagoo toos ugu xiran biyaha muddo 5 daqiiqo ah.
